

5 STEPS

TO MAKE THE BEST HIGHER EDUCATION CHOICES

1

STUDENTS & FAMILY PROFILING

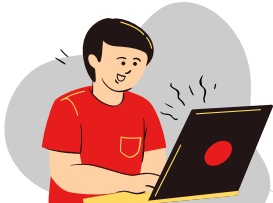

With our OIC assessments, we help students and families to understand and clarify students' strengths, career orientations and families' expectations.

2

COMPARE EVERY COURSE

Then aided by AI and our data warehouse, we compare every Australian university course to provide feasible and aspirational educational options with long-term career goals in mind.

3

UNIVERSITY APPLICATIONS

Next we guide students and families through UAC / UCAS (or relevant) processes in Australia/UK/US to maximise chances with applicable entry schemes, interviews etc.

4

SAFEGUARD UNIVERSITY JOURNEY

With potentially hundreds of major/minor/subject combinations, we help make best decision and plan towards your dream career paths.

5

BEYOND THE CAMPUS

For those needed, we give a helping hand when it comes to extra-curricular activities, such as study abroad, summer interns, work placements.

1. STUDENTS & FAMILY PROFILING

With our OIC assessments, we help students and families to understand and clarify students' strengths, career orientations and families' expectations.

2. COMPARE EVERY COURSE

Aided by AI and our data warehouse, we compare every Australian university course, every UK university course to provide feasible and aspirational educational options with long-term career goals in mind.

OUR FOUNDER AND TEAM

Our team members graduated from top universities, such as Oxford, Sydney and have all worked in Australian and international higher education sectors with 8 – 21 years of industry experience in executive positions.

3. UNIVERSITY APPLICATION

Our experienced team then guides students and families through UAC / UCAS (or relevant) processes in Australia/UK/US to maximise chances with applicable entry schemes, interviews etc.

4. SAFEGUARD UNIVERSITY JOURNEY

1 in 4 Australian university students withdraw or drop out in 1st year. We safeguard your university journey by guiding you through the enrolment process with potentially hundreds of major/minor/subject combinations, so that you have the best start towards your dream career paths.

5. BEYOND THE CAMPUS

University is not just a place for learning. For those needed, we give a helping hand on campus and beyond, such as study abroad, summer interns, work placements etc.
